To All Newton Athletic Boosters:

As a former Newton Student- Athlete in my eighth year as Newton Athletic Director, I am proud to be a part of the Newton Athletic Program. In the 2020-21 athletic season we will continue the tradition of the HS Track Invitational, "Indian Twilight," which will be under the lights on Friday, April 30th. In addition, the 8th Annual HS Softball Cancer Classic will be Friday, April 16th and Saturday, April 17th, which will be under the lights as well! Another tradition started three years ago is the Newton Athletic Hall of Fame. This year we will induct the class of 2021. The induction banquet and ceremony will be held on Saturday, January 23rd.

The 2020-21 Athletic Seasons are quickly approaching and it is time once again to inform you of our annual membership drive. It is quite apparent to all of us involved in Newton Athletics, that the pride in our school takes a backseat to no one. With this in mind, it is imperative that we make you aware of the need of the Newton Athletic Department to outfit our athletes with proper equipment and uniforms that elicit the pride and tradition that is so very important.

This membership drive is an annual event which allows the parents, fans, alumni, organizations, local businesses, and Newton Boosters to show their support of Newton Athletics. We ask you for your help and our sincere thanks go out to all of you for helping in any way you can.

We have gone to an online purchasing format which allows us to provide both digital passes, which are compatible with smartphones, and hard copy passes. We have gone in this direction because it accommodates both those who would prefer a pass on their phone and those that are "Old School" and would prefer a hard copy. All passes will now be scanned by our ticket takers. We understand that this is a change and if you have any questions please don't hesitate to contact the Newton Athletic Department.

**Keep pride and tradition alive, and join us in supporting our Indians!!**
