STARGATE

HIGH SCHOOL

ATHLETE'S HANDBOOK

2017-2018

Adams 12 Five Star School District

COACHES

The health, safety and well being of student-athletes are primary concerns for a coach. The coach controls the actions of his/her athletes both in competition and out of competition when they are representing Stargate School. The coach emphasizes the necessity of being a team, even in individual sports. No one person is responsible for winning nor is one person responsible for losing. The coach should do the best job he or she is capable of doing and treat all student-athletes with respect and fairness. The coach keeps an open line of communication between him/herself and the student-athletes, Athletic Director, school administration and parents. Coaches are encouraged to attend coaching clinics to continue to improve him/herself and his/her programs. The coach should keep the athletic director informed as to any problems, dismissals, honors, etc. that happen in his/her program. The coach will follow policies, procedures, and school rules. It is a coach's responsibility to keep current on all guidelines. The coach will show professionalism and sportsmanship at all times and should instruct student-athletes to display the same.

BUILDING SUPERVISION

All head and assistant coaches must remain on the school property after all practices, games, etc., until all players have received a ride home. At no time may a coach leave the premises unless s/he has made arrangements with the other coaches or Athletic Director. The staff is responsible for the safety of the students while under their care. Please be sure to make proper and timely arrangements with your parents for rides home.

PHILOSOPHY OF ATHLETICS AT STARGATE

The athletic program at Stargate School is to be an educational experience. Participants are to be taught how to work hard and experience the satisfaction that goes with giving their best in whatever they do.

The athletic department at Stargate School will emphasize the importance of discipline, class, professionalism, sportsmanship and effort. A team concept will be taught and practiced. A sense of community will be fostered throughout this process allowing students to respect and support one another.

HIGH SCHOOL SPORTS OFFERED AT STARGATE SCHOOL:

The following athletic programs are offered at Stargate:

Fall	Winter	Spring
Cross Country (Girls and Boys) Boys Soccer Girls Volleyball Mountain Biking(Co-ed) Ultimate Frisbee (Co-ed)	Boys Basketball Girls Basketball	Girls Soccer Boys and Girls Track Girls Tennis

FEES:

ALL FEES ARE REQUIRED TO BE SUBMITTED VIA PAYFORIT.NET PRIOR TO ANY PARTICIPATION IN ATHLETICS. NO STUDENT MAY PARTICIPATE IN PRACTICE OR GAMES UNTIL THE FEES ARE PAID.

The fees for the 2017-2018 High School athletics are as follows:

First sport played	\$175.00
Second sport played	\$175.00
Third sport played	FREE
Fourth sport played	FREE

ATTENDANCE & PRACTICE POLICIES:

Each student must practice a minimum of six (6) days before he or she can compete in a High School Athletic Conference sanctioned event.

Students must attend school a minimum of three (3) classes the day of a practice or scheduled contest in order to participate that day. In case of extenuating circumstances, the Athletic Director may allow the student to participate if warranted.

Practices the day before a game are mandatory. Failure to attend practice will result in loss of playing time.

If a student is suspended from school, s/he may not practice, participate or attend any school-sponsored activity during that suspension.

The head coach of each sport will establish practice attendance requirements and consequences to be distributed *in writing* to all players and families prior to the start of that season.

TRANSPORTATION:

Parents will be responsible for transportation to and from all games. Parents and students can organize their own carpool to games. Stargate is not responsible for athlete transportation.

ELIGIBILITY:

A student becomes a member of their school team when they report to practice.

Each Thursday morning at Stargate, the Athletic Director will pull a report from Infinite Campus and complete the eligibility report for Friday. Any student-athlete who is failing two (2) or more classes will be declared ineligible from competition for one week (Sunday to Sunday). Any student-athlete who is failing one (1) class cannot start or will lose playing time. Appeals can be made if there is a teacher mistake. This report will be given to coaches by the end of the day on Friday. Coaches will inform the student-athletes of their ineligibility. Students who fail to improve their grades will remain ineligible indefinitely and may face dismissal from the team.

EQUIPMENT AND UNIFORMS

Players will be provided with team uniforms to use for each High School. Players who lose, misplace, have stolen, or damage any equipment or uniform are financially responsible to replace them.

DRESS CODE FOR PLAYERS

Student-athletes may not wear any portion of their uniform to school during a ***non-game day***. NO EXCEPTIONS. Coaches may establish a game day dress code for his or her team with approval from the school administration.

PARENTS AND SPECTATORS:

Parent/Fan attendance, win or lose, is very positive and encouraging for student-athletes. Therefore, attendance is encouraged by parents/fans. Schedules for each season are available prior to the start of the season. Check the school website calendar for game information.

School athletic programs are designed for student learning, skills enhancement and competition. A positive parent/fan attitude towards sportsmanship greatly enhances the student athlete's learning experience. The authority to control spectator behavior as defined in the athletic by-laws of the Colorado High School Activities Association is the responsibility of the school officials in charge of the athletic contest.
