October 14, 2020

Mustangs:

Unfortunately, due to recent guidance from the Fountain/Warren County Health Department, we will be temporarily suspending all extra-curricular activities through Oct 21. This means that the following activities are canceled or postponed through Oct 21:

Volleyball sectional at Rossville (vs Clinton Prairie) - Thursday
Football vs Parke Heritage at home - Friday
Cross Country regional at Harrison (Tippecanoe Amphitheatre) - Saturday
ALL Practices through Oct 21

We apologize for the inconvenience. Please encourage people to wear masks, practice social distancing, and stay home when sick, so we can get back to providing opportunities for our students as soon as possible.

Sincerely,

Jason Good, Athletic Director, Fountain Central Jr/Sr High School
