Permission and Release of Parent or Guardian

I, hereby, give my consent for _____ (student) to represent his/her school in the athletic activities except those indicated on this form by the examining physician provided that such athletic activities are approved by the State Board of Education or the Georgia High School Association. I also give my consent for the student to accompany the school team on any of its local or out-of-town trips. I understand there exists inherent risks of injury associated with these activities. I authorize the school to obtain through a physician of its own choice, any emergency care that may become reasonably necessary for the student in the course of such athletic activities or such travel. I also agree not to hold the school or anyone acting in its behalf responsible for any injury occurring to the above named student in the course of such athletic activities or travel. I recognize that if I elect to have the above named student examined by the group of voluntary physicians, nurses or other allied health workers, that the examination cannot be as comprehensive as that performed in a private physician's office and thus may not detect potentially significant health conditions which might be problematic in sports participation. I further release said volunteers (who work without compensation) from any liability if injury should occur.
