Camp Directors

Seth Korey – Seth has over 28 years of tennis experience. He was the 1990 Arizona State High School Singles Champion, was ranked among the top 50 players in the United States throughout his junior career. In addition, Seth is a two-time High School Prince All-American and Academic All American Champion. After high school, he went on to play at the University of Kansas where he was crowned a Big Eight Champion. Seth has been teaching over 16 years and takes great pride in seeing his students grow.

Allen Vishnevsky - Allen has been playing and teaching tennis most of his life. After starting tennis in California at the age of 4, he moved to Arizona and has been competing ever since. He maintained top 10 in the 12's and 14's southwest section. Allen played high school tennis at Pinnacle and graduated with honors in 2009. Shortly after, he started teaching tennis at the Westwood Tennis Center and continued the profession by joining Seth Korey Tennis Academy in 2010. He loves to see his students build the necessary tennis skills that allow success and excellence in the sport of a lifetime. Allen has tremendous passion for teaching tennis to all ages and levels.

Sam Morris - Sam is originally from the Big Island, HI. At the age of fourteen, he left home to train at IMG Academy in Bradenton, FL where he competed and trained with top ranked players from all over the world. He attended the academy for five years under the Bollettieri philosophy while training and traveling for international junior tennis tournaments. He has over six years of teaching experience covering the variety of levels from beginners, adults to nationally ranked junior players. Wants to work with anyone who is willing to learn of all ages and abilities. Building a strong technical foundation by focusing on the biomechanics of the body is the key to stroke and movement production while solidifying your basic fundamentals. Thankfully for SKTA, he ended up in Scottsdale, Arizona for school and fell in love with teaching the game of tennis.

Lon Mlnarik - After being the Head Pro at The Arizona Biltmore for 8 years, Lon decided to team up with Seth Korey to help bring kids to the next level. He arrives with 9 years as a USPTA Certified Pro, 17 years teaching experience, and playing 34 years. Lon being a native of Arizona, was ranked Top 3 in Arizona, Top 5 in the Southwest, and Top 100 nationally through his junior career. He later played #1 for Scottsdale Community College where he led the team to 4th in the nation, and 22nd in the nation in singles. He then got a tennis scholarship to Westmont College in Santa Barbara and eventually graduated from NAU. Lon's passion for the game and helping junior players develop a love of the game of tennis exudes throughout each lesson. Overall, he is excited to see the growth of Seth Korey Tennis Academy!
