

DRAGONFLY MAX

Redefining Athletic Healthcare

Hey Parents/Guardians,

Your school is requiring all athletic paperwork to be completed on **DragonFly MAX** to ensure the health of your child.

DragonFly MAX is a secure electronic medical record focused on improving health, performance, and communication. The **MAX** platform simplifies the task of completing preseason paperwork by allowing you to complete all the forms required by your school electronically. The only hand-written form to submit each year will be your child's **TSSAA Physical Examination Form** that your medical provider fills out and signs.
