

Every Brick Tells a Story

The 10' x 10' area on each side of the new ticket booth (shown on the site plan below) will be designated to display your engraved paver and collectively they will tell our NHS story. Purchase a paver and customize it to:

- Honor a hero, loved one or pet
- Proudly display an achievement or award
- Celebrate an accomplishment or milestone
- Recognize a special person, teacher or mentor
- Show your Indian pride as a family or organization
- Display your favorite quote or words of wisdom
- Share your favorite NHS memory
- Display your corporate logo and/or slogan
- Use your imagination have fun!

The Project

The stadium entrance is being updated including a new ticket booth as shown on this site plan. This project is underway and the funds are in place. The 10' x 10' area on each side of the ticket booth is the designated area to display your engraved bricks. The funds raised will be used to purchase the materials for a new press box. The plan is to have a new press box in place for the 2019 /2020 school year.

The new press box will be much larger than the existing press box; replacing a structure in much need of repair. The additional space will allow us to accommodate the media in addition to the coaching staff, announcers and clock operators. This will open up additional opportunities to host playoff games which will generate additional funds for our school, booster clubs and local businesses. It also allows us to show off our great community and facility. We appreciate your support!
