

Every Brick Tells a Story . . .

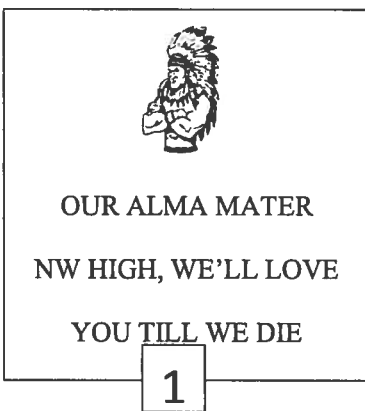

The plan is to build (2) 10' x 10' paver pads to be located on each side of the ticket booth at the stadium entrance to raise money for a new press box. (see flyer for full details)

Our goal is for these areas to be a positive display honoring NHS history, a celebration of individual and group accomplishments, recognition of special persons, teachers, coaches or mentors, well wishes and/or words of wisdom for the current students a cherished monument that exemplifies our NHS story.

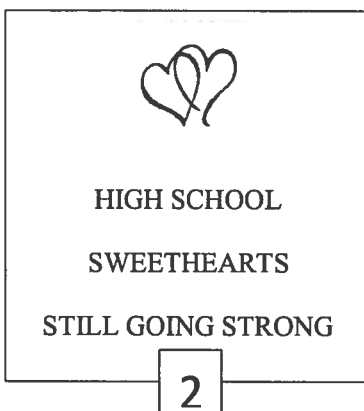

In recognition that the space is limited on the paver, the NW Touchdown Club is sponsoring the following 8 x 8 pavers. *Create your custom message on a 4 x 8 or 8 x 8 paver to build on the theme we have started. Choose one of the theme pavers by number and we will place your paver around it.*

Use your imagination . . . have fun! If you need help designing your special brick – just ask.

(Listed below each sample paver are some suggestions and/or examples to help illustrate)

Frequently Asked Questions

- **What if I don't want to choose one of these theme pavers?** If you do not want your paver to surround one of these theme pavers, choose theme paver "0" on your order form. These theme pavers are just an aid for anyone who needs help with their message and/or can't fit their message in the brick space.
- **What if I need help designing my brick, how can I get help?** Text or call Tammy at 330-417-6247
- **What is the deadline to order a paver?** Once we receive 100 paver sales we plan to start the engraving process. We anticipate this to happen by April 15th. We have to engrave in quantities of 100 or more so if you miss that deadline, your paver will be processed in the next batch of 100. Quantities are limited; don't miss out on being a part of this monument.
