

**Stadium Press Box Fundraiser**  
**Custom Engraved Paver Order Form**  
 sponsored by: Northwest Touchdown Club

**Every Paver Tells a Story . . . .**

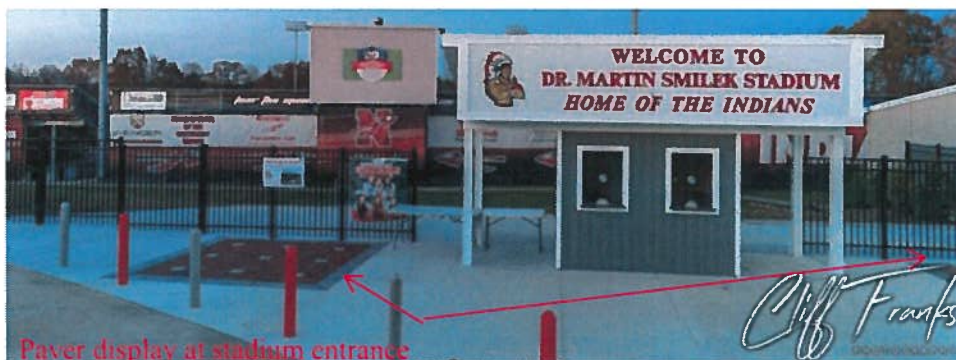

The Northwest stadium entrance has been updated including a new ticket booth. The 10' x 10' area on each side of the ticket booth is the designated area to display your custom engraved pavers. The funds raised from the paver sales will be used to purchase the materials for a new press box and sound system. The plan is to have a new press box and sound system in place for the 2020 /2021 school year.

The new press box will be much larger than the existing press box; replacing a structure in much need of repair. The additional space will allow us to accommodate the media in addition to the coaching staff, announcers and clock operators. This will open up additional opportunities to host playoff games which will generate additional funds for our school, booster clubs and local businesses. It also allows us to show off our great community and facility.

Purchase a paver and customize an engraved message and collectively they will tell our NHS story.

Theme pavers

Paver display at stadium entrance
