***** If a Jr. High contest is being run in conjunction with a Varsity/JV contest. Entry will be the price of a Varsity/JV contest****

The link provided here at the end of this email gives you access to all the home events for the 2019 fall season. The All Sports Booster Club will be opening the concession stand for each event. We are looking for volunteer help for these events. Please take a look at the schedule and pick an event or 2 to volunteer your time and support the teams.

The Booster Club raises a lot of money for our programs. It takes a lot of time and effort to run this club effectively. If each parent chips in and volunteers for even one event, it would lighten the load for all and make for a positive experience. Students are also able to volunteer their time. Hours volunteered from students can contribute towards service hours that are required by certain activities.

Comp tickets are available to those that volunteer their time working concessions at athletic events. For bigger families that attend a lot of events, this comp ticket opportunity can save you a lot of money throughout the course of a season. Here are the scenarios that provide you with comp access...

Scenario 1:

You have a son/daughter that plays varsity basketball. This game starts at 7:00 PM. If you sign up to work the JV game that same day (5:30 start), you & 1 guest will receive entry to that evening's game.

Vice versa....If your son/daughter plays JV (1st game @ 5:30), you can sign up to work concessions for the varsity game (2nd game 7:00) & have free entry for you +1 guest to watch your son/daughter play in the early game.

This would hold true for any double event no matter the sport and no matter the level of play 7-12.

Scenario 2:

Work any level athletic concession stand for the duration of the contest that evening & receive 2 comp tickets to use at any HOME event that you choose throughout the 2018-2019 school year. This means you do not receive a guest entry for that evening and you do not watch the contest that evening.

Concession help is limited per event based on the need of the event. Volunteer sign up is on a first come first serve basis. Contact a booster rep or your coach to sign up.
