

**RELEASE
WITH ASSUMPTION OF RISK AND INDEMNIFICATION
For Participation in Extracurricular Activities**

In exchange for the agreement of the North Union Local School District Board of Education ("Board") to permit _____ (the "Student") to participate in extracurricular activities held on Board property **and at times at other locations away from Board property**, we the undersigned:

1. release, and agree to hold harmless and indemnify the Board, its individual members, administrators, teachers, employees, volunteers, and agents from any and all liability, arising from negligence or otherwise, and damages as a result of the Student's participation in the extracurricular activities whether on Board property or **at other locations**, including, but not limited to, property damage, bodily, personal or mental injury, including death, or other injury;

409872592. acknowledge it is the sole responsibility of the undersigned to evaluate carefully the risks inherent in such participation, including, without limitation, dangers posed by the facilities or the willful or negligent conduct by the Student and/or by others and voluntarily assume full responsibility for, and full risk of, property damage, bodily, mental, or personal injury, including death, or other injury relating to the Student's participation in the extracurricular activities at Board facilities, **at other locations, and during any transportation to the other locations**; and

409872593. agree that if any extracurricular activities are held **away from Board property**, the Parent/Guardian and Student are solely responsible to examine the facilities, assess the safety of those facilities, and to provide or arrange for safe transportation to the extracurricular activity, and the Board shall not regulate private transportation, shall not supervise which student rides with any driver, shall not guarantee the competency of any driver, whether the driver maintains insurance, or the roadworthiness of any private vehicles used by students, parents, or other persons who may transport students.

(Note, however, that the school authorities may discipline students for misconduct that occurs during transportation in private vehicles and misconduct that occurs away from Board property and Parents, Guardians, and Students are requested to report student misconduct to the principal, activity advisor, or a coach.)

We, the undersigned, have read the above carefully, understand its significance, and voluntarily agree to all of its terms.
