## AZ TAX CREDIT SUMMARY:

Arizona Law (ARS 43-1089.01) allows married couples filing jointly a tax credit of up to \$400 and individual taxpayers a tax credit of up to \$200 when they contribute to extra-curricular activities in public schools. This tax credit is available to all who reside in Arizona and have a tax liability at least equal to that of their donation. You do not have to be a parent of a child in a Queen Creek school to benefit from this law. Corporations are not eligible. Contributions are donated directly to the schools. This means your donations are used directly to support student activities of the Queen Creek school of your choice.
