CV SCHOOL CONCUSSION POLICY

CONOTTON VALLEY MEDICAL CLEARANCE RETURN-TO-PLAY PROTOCOL

1. No athlete shall return to play on the same day if experiencing signs/symptoms of a TBI/concussion.
2. The athlete will be monitored daily by the CV certified athletic trainer.
3. The athlete will complete a neurocognitive post-test once symptom-free.
4. The athlete will be returned fully to the classroom.
5. Upon achievement of a valid neurocognitive post-test score and physician release for successful completion of the 5 phase return-to-play protocol where there is no recurrence of prior symptoms, the athlete will have met all criteria set forth by the OHSAA Board of Directors and Conotton Valley Union Local Schools for return to sport.

I have read the approved policy and understand the requirements set forth for athletic participation.
