Clay's baseball team, much depleted by the football players, started the season out well by overwhelming Walbridge, 16 to 2.

The second game followed the same course but not so strongly as we defeated Olney 5 to 4.

Macomber gave us a bit of a jar by defeating us 9 to 1.

Walbridge showed a little more fighting spirit but not quite enough and we won 3 to 1.

Macomber came back and gave us our second defeat in our last game of the fall season to the tune of 3 to 2.
