Our varsity baseball team proved to have a disappointing spring season. However, due to an improvement of batting averages and fielding skills, the team bettered their standing by the end of the summer.

The team was coached by Harold Potter who is retiring after 46 years as baseball coach. The players made it to the finals of the summer Suburban High School Tournament. By the summer's end the leaders in hitting were Keith Taylor, Rick Davis, Mark Newell, and Karl Knierim.
