### Before our kids were Tigers

They were "Braves", "Westside" or "Chipmunks"

Before they ran, danced, swam, cheered or played soccer, volleyball, football or baseball for Valley High School, your superstar might have played on an ASA softball team or traveled with a junior hockey team. Maybe they pitched in the majors at Holiday Park, defended the goal on a soccer team, or hit a hole in one in junior golf.

You can now get **FULL COLOR** photos of your submissions, so treat all the Tiger fans by sending a photo of your Tiger athlete when they were young with a few words (less than 15 words, please) about a favorite memory, of best wishes or other sentiment. We'll publish it in the upcoming Fall Sports Profile Book available for free at most fall athletic activities. Photos are welcome for any level of Valley Tiger athlete—freshman, sophomore, junior varsity or varsity. If available, have your photo involve your student in some type of sports activity.

Please mail your Tiger Tot submissions by **Friday, August 23, 2019**, to be included in the Fall Sports Profile. Note: Your submission will automatically be included in the Winter Sports Profile, unless you request otherwise.

All proceeds support our Valley Tiger athletes through the Valley Tiger Booster Club.
