

Yellowjacket Transportation Protocol for 2021 Winter Seasons

For parents/guardians wishing to transport their students to events this winter, 2021, the following protocol has been put into place:

Parents/Guardians wishing to transport their student(s) to an away sporting event will need to fill out the Parent Transportation Request Form on the Perham High School Activities Website, www.perhamyellowjackets.com, under the **MORE** tab. Ideally, we would like **48 hrs in advance of the scheduled activity**. You can also click on or type the following link in your browser:
<https://forms.gle/kUyFtE4V3ArhCyCu8>.

Please note the following protocols when transporting your student-athlete:

- Parents/Guardians may only transport their own child[ren].
- Students may not drive themselves.
- Students may not arrive with, or go home with, anyone other than their Parent/Guardian.
- Parents need to arrive at the same time as the team, unless arranged differently with the Head Coach, and **must check their child in with a coach**.
 - Student-athletes arriving without a parent/grandparent will not be allowed to participate/play.
- Parents must check kids back out with the coach if driving them home.
- In some cases, if communicated, grandparent(s) can transport.

Please feel free to contact the Yellowjacket Activities Office with any questions.
