

2020 Volleyball Camp

The McCutcheon Maverick Volleyball program is excited to train the 7th and 8th graders during the summer to help them prepare for their upcoming fall season. The camp is designed to focus on basic skills and technique used in the game of volleyball. We will also be teaching the basics of court movement and game situation drills as well. Our goal is to help your daughter fall in love with the sport and have a better understanding of the game before her first middle school tryout or practice in the fall. Our program looks forward to meeting future athletes for years to come and is excited to train as many girls in the area in the skills of volleyball.

The Volleyball camp will be held at McCutcheon High School

The McCutcheon Maverick Volleyball program will be conducting a summer Middle School focused volleyball camp for girls in next year's grades 7th-8th during the month of July. Fundamentals will be emphasized during the camp in a fun-oriented way. We believe this camp will offer each individual the opportunity to develop basic skills to improve their play, meet the coaching staff of the volleyball program and have an enjoyable week of playing volleyball.
