Thank you for showing interest in playing high school golf. Our season starts in the middle of March. Our home course is the Ravines Golf Course, we will also have practices at Trophy Club. . Our typical practices during the school year are 3:30pm to 6:30 pm Monday thru Friday. Fridays we have team dinners at one of the players houses. The team dinners consist of bonding and other things preparing for Saturday Tournaments. You will need golf clubs to participate on the golf team. We will have cuts to get the team down to 10-15 golfers the first week of the season..

Golf summers will include a meeting every Tuesday night at a specific golf course. Once all of this COVID-19 slows down I will send out an official email with the calendar dates and events . Every Tuesday will consist of hitting nights, team bonding, playing 9 holes and practicing specific golf skills to come ready to have fun and be coachable.

Please get your child signed up on final forms, the link is below. Every email that I send to the students and players will be through the information connected through Final Forms. All the forms will need to be signed to participate in the Summer and Winter workouts. Your student athlete will need a physical dated 4/1/20 or after. You can also explore our golf page and see what kind of season we had in 2019. The golf page is also linked below.

<https://mccutcheonathletics.com/>

<https://tippecanoe-in.finalforms.com/>

All online forms must be completed by June 7th 2020 to participate in hitting nights.

If you have any questions, feel free to contact either coach and we will help you in any way that we can.

Thank you,

McCutcheon Golf Staff
