Greetings Tiger Fans. I hope this message finds you safe and healthy. Spring sports are well underway after making it through the Fall and Winter seasons with success and precautions along the way. To say those seasons were different would be an understatement. The school, athletes, coaches and fans all made adjustments to allow these seasons to begin and continue through to the state tournaments. I sincerely appreciate the understanding of everyone as we navigated through the uncharted waters of this pandemic.

To support these successful programs, it takes the time and effort of many friends and families. We also must look for ways to continue to support our athletic teams financially to help them compete on the level to which we are accustomed. We invite you to help us support these teams by participating in the 2021 Memorial Athletics Golf Scramble. The scramble will be held on May 28th, 2021 at Cambridge Golf Club. We will have lunch at 11:15 am with a shotgun start at Noon. If you are unable to attend, we do have various sponsorship opportunities that can help support our student athletes as well.

The sponsorship deadline is May 7th, 2021. Please consider joining us for a day of fun and fellowship with fellow Memorial Supporters.

Covid-19 protocols will be in place for lunch and the scramble.
