## **FLORIDA STATE UNIVERSITY SCHOOL ATHLETIC DEPARTMENT**

To whom it may concern,

The Florida State University School Athletic Department formally requests your assistance in supporting our sports programs. Any and all donations are not only accepted, but greatly appreciated! Donations are used to purchase equipment for our team, uniforms, facility maintenance, tournaments, gear, and much more.

Attached are several options for supporting our department for you to review. We have several sponsorship levels which you can chose from that include benefits such as sponsorship signs, season passes, acknowledgement on our website, as well as social media account, direct contacts to parents, and more. Season passes are also available for purchase.

In lieu of these options, gift card donations can also be used to raffle or be used as incentives for other fundraising programs. Raffle Tickets can be purchased for a chance to win the card. Announcements will be made about the cards, as well as signs in appropriate places (Concession). If there is ever a dispute or a gift card remains unclaimed, the Booster Club could use the card to purchase food items that would be used for sale in or support of the Concession Stand operated at every game.

There is another opportunity to make your company known at our Pregame Tailgates! This is our event held before our home football games that brings together our students, clubs, and the community. By sponsoring, you would receive a vendor opportunity and advertising opportunities on our campus. You would be reaching a huge population and celebrating with us and our team!

In return for your generous offer, we would like to make people aware of your business. At every home game, we announce sponsors to all fans attending and give our thanks. Additionally, if you have any coupons, we would like to provide these to our visitors.

For any questions or concerns, please contact myself, at [tmcgriff@fsu.edu](mailto:tmcgriff@fsu.edu).

Sincerely,

Tyrone McGriff

Athletic Director
