GRIFFITH PUBLIC SCHOOL ATHLETE DECLARATION FOR DUAL-SPORT/ACTIVITY PARTICIPATION

It is the intention of the athlete named below to participate in two sports or two activities during the same season. In order for this to occur the following stipulations must be met:

1. The athlete must declare which sport is **primary** and **secondary** for participation purposes. Both coaches and/or sponsors must agree to this distinction.
2. Approval may be denied because of academic concerns at any time during the sport season. The student must maintain eligibility for both activities. If eligibility is wavering, the athlete then will participate in the primary sport only.
3. The head coaches/sponsors of each sport must mutually agree to the participation of the athlete in two sports. This may include which event in which the involved athlete may participate.
4. Any penalties issued as a result of a violation of the Student-Athlete Code of Conduct will apply to BOTH sports and/or activity.
5. Once a primary and secondary sport is declared, that decision cannot be changed without completion of a new dual sport form (all signatures are re- required). If coaches do/can not agree to the changes, the original form remains in affect.
6. Practice, game, rehearsals, etc. requirements must be established prior to the sport season. If at any point either coach or sponsor feel that the requirements are not being met they may null and void this contract.
