Dear Winston Churchill Families,

The MyMCPS registration portal will be used for the fall season to register all athletes for the fall teams. This portal has been used for the last two athletic seasons and it has been very successful for all those involved. The registration portal will open on **July 19, 2019**. All athletes registering for a fall team must be registered by **August 12, 2019** in order to be eligible to participate in the first practice on August 14, 2019. If you have questions, please refer to the [MyMCPS Fall Information](#) letter from the Director of Systemwide Athletics, Jeff Sullivan
