

K.H.S. FOOTBALL -An Overview

Football, Kokomo High School variety, actually began back in the season of 1894, but the sport was not widely accepted in the early years. The first game recorded in local papers was on October 27, 1894, when Marion defeated Kokomo, 16-0.

The early 1900's football never did enjoy the whole-hearted support of the school or the community. The 1901 KHS team was unscored upon, yet in 1902 there were not enough players to make a team. By 1910, a combination of adamant protests by parents, a 72-0 loss to Logansport, and the death of a Wabash College player in a football game led to the end of football at Kokomo High School.

The 1911 Sargasso, the KHS yearbook, made the following observation:

Football seems to be a dying sport in Kokomo. The game is not supported by the students nor the citizens, and the fellows don't seem to have enough spirit to try out for the team and make it a success.

After a hiatus of 11 years, where no football was played at Kokomo High School, the 'modern' era of KHS football began in 1923, largely due to the efforts of the legendary Chet Hill.

Mr. Hill organized a group of students into a team that, through determination and good work habits, produced an excellent won loss mark of 6-1. It was this confidence-builder that gave KHS football the shot that it needed.

By 1926, the pigskin sport had so flourished that the school required a reserve team, nicknamed the Cubs, and a freshman team, dubbed the Rhinies.

In 1928, Mr. John Arthur Kautz, a school board member, donated a 300-by-600 plot of land just east of the high school building to be used as an athletic field. Kautz Field is still used today by the eighth grade teams.

Kautz Field saw its first action in 1929. In the first game ever played there, the final score read: *Kokomo 19, Muncie 0*. The Dedication Game was later that season (September 29, 1929) and the Wildkats scored another shutout in downing the Marion Giants, 26-0.

Kokomo has had several excellent teams come down the pike since that inaugural season. The 1939 squad, which had four consecutive shutouts during the season, was undefeated and yielded just 19 total points in nine games. The 1957 club was 9-0, while the 1961 team went 6-0-2. One of the most successful periods of KHS football came from 1963 to 1965, when the football squads posted 19 straight wins, including a perfect 10-0 in 1964. Three other KHS football teams have won 10 or more games in a season – the 1985 team went 10-2, the 1996 squad was 10-1, and the 2015 club set the all-time record with 12 wins. The 2017 team was the first KHS team to play in the state championship game.

Kokomo has had 96 years of football (1923-2018), but the Kats have had only nine football coaches. Following the 14-year reign of Hill were Raymond "Tubby" Trobaugh (13 seasons), Clarence "Tuffy" Laymon (5), Bob Hamilton (27), Larry Ruch (9), Willard Rice (13), Wayne Lance (3), Brett Colby (11), and Richard Benberry (1). Through those 96 gridiron campaigns, the Wildkats have been victorious in nearly 60% of their games.

Walter Cross Field

The facility was started in 1968 and named the Haworth Booster's Stadium, and it was used primarily for track for the Haworth High School Huskies. Haworth, which opened in 1968, played its first football games at Kautz Field in downtown Kokomo. The first football game at Haworth Booster's Stadium was Haworth versus North Central on September 22, 1973, a 32-14 Husky loss.

Upon reorganization of Haworth and Kokomo high schools in 1984, Kokomo High School played all of its games at this facility. Previously, the Wildkats had played football at Kautz Field since 1929.

With the exceptions of Kokomo-Haworth games, the first non-city KHS game was played on August 25, 1984. The opponent on that Saturday afternoon was Jeffersonville, who went home after the Wildkats defeated them 28-13.

The stadium was officially named Walter Cross Field in 1986.

Starting in 2014, Walter Cross Field was renovated with new locker rooms, restrooms, concessions, and a modernized press box. Artificial turf and a Beynon track were added in 2017. The latest project is to make the visitor's side mirror the home side bleachers with a concession stand.

Seating capacity for Walter Cross Field is 6000.

Walter Cross (1899-1987)

Walter Cross is a legend at Kokomo High School. A science teacher at KHS from 1925 to 1966, Cross served the Athletic Department in a variety of ways. He coached football, basketball, and track, and started the KHS cross country program in 1941. He also assisted with the administration of football, basketball, swimming, and track events after his coaching days were over.

Mr. Cross was a 1919 graduate of Thorntown High School, where he earned the Gimbel Award (formerly the IHSAA Trester Mental Attitude Award and now the Ray Craft Mental Attitude Award). After graduating from Purdue University, Cross spent a year at Jefferson Township School in Clinton County before coming to Kokomo in 1925.

Walter Cross is a member of the Indiana Basketball Hall of Fame, the Indiana Track and Cross Country Hall of Fame, and the Howard County Sports Hall of Fame. He saw every Kokomo Relays, the longest continuously run high school track meet in the nation, from its beginning in 1925 until his death in 1987.

This package of football history and stats was compiled by Terry Downham, KHS Sports Information Director.
