Tennis Boys Complete Community Service

Cross Country off and running

Soccer is rolling

Volleyball off to a hot start!

Our volleyball program is off to a great start! After the month of August, our Lady Jets Varsity team sits at 8-2 and is ranked 5th in class 1A. They won the The JV squad is undefeated under first year head coach Christian Case. The 7th and 8th grade teams are a combined 3-1. Way to go ladies! Keep it rolling!

Boys Tennis Complete Community Service Opportunity

The Boys Tennis team took the opportunity to complete a community service opportunity before their season began. Their tennis courts were in dire need of repair, so one Saturday after practice, the boys took the opportunity, along with the help of many gracious parents, to repair their tennis courts themselves! The boys did a great job on the courts. They are showing improvement each and every day. Thanks for the time and service boys!

Cross Country Is Off and Running!

The Jr. and High School Cross Country teams are off and running! The High School team was most recently rained out at Rushville, however they have competed in the Austin and Indian Creek Invitationals already this season! The Jr. High team has competed in the Greensburg Invitational as well as at home vs. Waldron, where Colin Ault was the overall winner of the meet and our Jets were victorious! They both have several meets and invites coming up; come out and support these dedicated runners!

Soccer is Rolling!

Soccer is off and rolling! These guys and gals are working hard and coming together on and off the field. They have been competitive each time they have played. They notched their first win against Columbus Christian! The Jr. High has played well and competed, but that first win is still in the works. With as hard as these kids work, it's only a matter of time! Both squads are fun to watch...make sure you get out and support these Jet athletes!
