### Sports Physical Date Has Been Moved

The sports physical date has been moved to ensure that all athletes can attend and there is no conflict with an event. The new date for the physicals at Hauser High School will be Wednesday, May 13th. It will begin at 5 pm and will cost \$15. The Health Department will be offering immunizations at this time as well. All athletes must have a new physical done for the 2020-2021 season. This is a great opportunity to get it taken care of!
