Natalie Payne...Natalie, it has been a joy watching you grow into the woman you have become. Your strength, determination and tenacity will allow you to reach your dreams. Reach for the stars. We love you very much. Mom, Dad, and Tori

Trinity Clark...Trinity, you have always marched to your own beat as you are a true one of a kind! You've overcome so much, and you make it all look so easy with a goofy laugh and a bad dance move. Your passion, your heart on your sleeve, your never-ending encouragement to others, your stubbornness and your drive are the things that make you a true team leader. We are so proud of you and who you have become. You show us all how to enjoy life no matter what! We love you! Your family

Catherine Gunnigle...Catherine, your family is very proud of the resilience you have shown as you have navigated a challenging high school experience. Your fortitude, leadership and care for others remains part of your DNA that will serve you well in your future endeavors. As you prepare to move on and leave your mark on your school and community, know that the many you have touched will be watching and rooting for your successes. We all love you! Dad, Mom, Caroline, Carson, Davis and Matt

A note from Coach Western:

Natalie Payne, Catherine Gunnigle and Trinity Clark epitomize what a coach wants from their seniors. The first word that comes to mind with all three is toughness. All three young ladies play extremely hard and unselfish at all times. In a unique and challenging year, they have shown tremendous leadership and have been unbelievable teammates. It has been an absolute privilege to coach these three.
