

OTHER WAYS TO GET INVOLVED

The Titan Fan Club (TFC) is a non-profit organization that strives to enrich the lives of St. Bernard-Elmwood Place students through volunteering and financial assistance. We are committed to aiding in the growth of our students in all areas of education and school experiences. The TFC is dedicated to the continued support of our arts, academics and school athletic programs.

The Titan Fan Club is made up of parents, grandparents, coaches, teachers, staff, and others throughout the community. All are welcome, no experience necessary!

Membership dues are only \$10.00 per person for the year. A Titan Fan Club membership form is included.

DONATIONS GET INVOLVED

Your financial support is vital to the continued success of Titan Athletics. An investment will make an immediate and significant impact within our school. Upon a donation, we will provide a written acknowledgement for your tax records. No goods or services will be provided in exchange for your generous donation. On behalf of our students, and staff, we thank you for supporting the Titans!

A MESSAGE FROM THE ATHLETIC DIRECTOR

Dear Titan Supporter,

I am writing this to you today because...

The two biggest initiatives this year will be a campaign to increase Titan Fan Club membership and to improve our programs through our fundraising campaign. It is imperative we continue to increase our support to our programs if we plan to stay competitive. Every donation helps. We are fortunate to have a great base of donors who have been very generous with their time and resources for specific projects. What we need now is to develop a larger base to help with the operations of our department and to increase the involvement of the community in Titan Athletics.

Many positive things are already underway at SBEP. Once our new pre-K-12 school is completed, we will have a state-of-the-art swimming pool, two high school gymnasiums, and an elementary/junior high gymnasium. This provides us the opportunity to host OHSAA tournament play, Miami Valley Conference Championships, and a Basketball Winter Classic scheduled for December of 2021. We will also be able to rent our facilities to numerous programs which will provide positive exposure for our school, build our athletic programs, and encourage potential business partners.

Outside of the construction of our new school, there have been a number of upgrades we have completed to our current facilities in recent months. These include adding achievement banners in the Jerry Radtke Gymnasium, refurbishing and reorganizing equipment storage facilities, installing new televisions in the gym lobby and in the school lobby to enhance communication, and the resurfacing of our gym floor. We've been very busy, and all of these projects were chosen to enhance our student-athlete's experience here at St. Bernard-Elmwood Place.

Looking ahead, we have a number of other fundraising initiatives on our wish list. These include new stadium chairs for our gymnasiums, new scores tables, updated lockers for our locker rooms, touch pads for our new swimming pool, and achievement banners for our facilities at the new school.

We will continue to maximize our promotion of our student-athletes and programs by use of streaming video, our district website, and social media channels. I encourage you to follow Titan Athletics on Facebook, Twitter, and Instagram@SBEPgoTitans. I will be posting more content than ever this year regarding our teams, student-athletes and general athletic information.

I look forward with great anticipation to the year ahead for all of our athletic teams, and I look forward to seeing you at the games.

Thanks,

Zach Stakely, CAA
