

RENSSELAER CENTRAL BOYS YOUTH BASKETBALL 2019-2020

Bomber Basketball League (BBL) – Grades 2, 3, 4 and 5 (New Format in 2019): In an effort to improve fundamentals, the boys’ youth program is going in a new direction. During the week, all players in grades 2-3 will practice at once and all players in grades 4-5 will practice at once. The practices during the week will focus on player development and team concepts. The Saturday morning games will, again, have all grades 2-3 at once and grades 4-5 at once. The Saturday morning teams will be adapted and adjusted each week for enjoyment, competitiveness, and development. We **need** volunteer coaches to be part of the skills sessions, weekly practices, and Saturday morning games. In order to promote better bonding through basketball, the RCHS and RCMS coaches will help develop and create the practice and game plans to help all volunteer coaches learn and grow with their players.

Practice times will be assigned once the number of participants is finalized. Practice times will be evenings during the week. Teams will practice 1-2 times per week and games will be conducted on Saturday mornings.

Bomber Basics – Grades K and 1: This is an introduction to basketball for boys in Kindergarten and 1st Grade. It is designed to establish a strong foundation of basketball basics so they develop the essential skills necessary to become a competitive basketball athlete in the future. We plan to teach various drills and skills that kids can continue on their own all year long. There will be a one-hour skill sessions on Saturday mornings.

*One form per player – ONLINE: <https://www.surveymonkey.com/r/PTP32JD>

*Sneakers and black Basketball shorts are to be worn for each session.
