

PICKENS HIGH SCHOOL
ALMA MATER

*Planted in the Blue Ridge Mountains
High above the plains
Stands our noble Alma Mater
Kissed by sun and rain.*

*Pickens High, our Alma Mater
Deep in our hearts we'll hold
Love and loyalty we'll give thee
Green and White of old.*

*Years may dim our recollection
Change with time will come
While we live we'll ever cherish
Friendships here begun.*

*Pickens High, our Alma Mater
Deep in our hearts we'll hold
Love and loyalty we'll give thee
Green and White of old.*
