

Lincolnview has established the following plan for re-opening indoor and outdoor facilities:

Phase 1 June 1-14 High School students only

Points of Emphasis

Temperature checks and screenings will take place before every event. Coaches will record and maintain a log using the OHSAA monitoring form.

Gatherings will be limited to 10 combined coaches and players in an athletic location. Example: 10 in the weight room; with the dividing curtain lowered in the HS gym, 10 on one side of the curtain and 10 on the other side; with the middle HS volleyball court unused, 10 on the east volleyball court and 10 on the west volleyball court; 10 in the elementary gym, 10 on the soccer field and 10 on the practice soccer field

Workouts will be conducted in pods with the same students and coaches always working together.

All equipment must be sanitized before, during, and after use. Weight room equipment should be sanitized between users. Basketballs, volleyballs, volleyball standards, etc. must be wiped down before and after the training session.

There should be no sharing of towels, clothing, shoes, water bottles, or sport specific equipment.

Student-athletes should wash/clean their own clothing and equipment after every workout.

Phase 2 June 15-28 Junior High students may attend training

Points of Emphasis

Continue temperature check and screenings and maintenance of logs.

Gatherings will be limited to 10 combined coaches and players in an athletic location. See above examples. Up to 50 participants may gather for outdoor workouts.

All other restrictions in Phase 1 still in place.

Phase 3 June 29-July 12

Points of Emphasis

A record should be kept of all individuals present.

Gatherings of up to 50 individuals indoor and outdoor athletic locations.

All other restrictions in Phase 2 still in place.
