My name is Tomas Rodriguez and this will be my 6th year as STMA HS Boys Soccer head varsity coach. I was born in La Paz, Bolivia where I learned to play and love this beautiful game and I have been a professional soccer coach since 2006. I've coached on C2, C1, select, ODP and premier levels in both Oregon and Kentucky as well as locally for STMA United Soccer Club since 2011. I've played both at the collegiate level for the University of Kentucky as a D1 soccer player and professionally for the Portland Timbers. I currently teach Spanish 2nd-8th grades at St. Michael Catholic School and live in Albertville with my beautiful wife Kaleena and 9 year old son Eusebio. My main philosophy is to help develop young men by fostering skills, teamwork and character building so they may become strong sons, fathers and husbands for their St. Michael-Albertville community. I look forward to coaching a great bunch of young men again this year!
