2018/2019 WHS CLUBS & ACTIVITIES

ART CLUB / Ken Adkisson - Provides current art students seeking aesthetic growth in art beyond the actual studio training received in an art class. It presents several art shows and is involved in community service.

CHEER TEAM / Jamie Lanik- Squad tryouts are held in the spring for the following year. Members demonstrate a high level of commitment to support the various athletic teams and boost school and community spirit. Cheerleaders also compete in area competitions.

CLASS COUNCILS / Ryan Ricenbaw - Class councils are elected to represent classes and make class decisions. Freshmen and Sophomores raise money with dues. Juniors are in charge of prom. Seniors pick announcements, class flower and motto. Class Councils also help with graduation exercise.

DANCE TEAM / Maryn Heald - Squad tryouts are held in the spring for the following year. Members demonstrate a high level of commitment to support the various athletic teams and boost school and community spirit. Dancers also compete in area competitions.

DRAMA CLUB / Blake Tobey - The club encourages participation in school speech and drama activities through active involvement in the various activities. It is a group that supports speech/drama and musical theater activities.

ONE-ACT / TBD - Auditions are held for this half-hour play in the fall. This is an NSAA sanctioned event, which is performed at Conference, District, and possibly State competition. The dates range from the third week in November through the second week in December.

PLAY PRODUCTIONS / Blake Tobey & Spencer Jakob- This production is normally a full-length play (drama, comedy or Shakespearian), and will require approximately a six-week commitment. Rehearsals are after school and/or evenings. Auditions will be announced. Stage crews are selected from student volunteers. Participants are not required to be in Drama Club.

FBLA - Future Business Leaders of America / Tara Bohaboj - This club is a national student association for students who are interested in developing leadership skills and self-confidence, participating in community and school service activities, and learning a variety of business aspects.

FCCLA - Family, Career, & Community Leaders of America / Mallory Gregory & Mike Ziola - is a career and student technical organization that promotes personal growth, leadership development, and career preparation opportunities as an integral part of Family and Consumer Sciences education. Focusing on the multiple roles of family member, wage earner and community leader, members develop skills for life-planning, goal setting, problem solving, decision making, and interpersonal communication.

FFA - Future Farmers of America / Kristine Spath - FFA is a nationally affiliated club for youth who are studying areas involved with the food and fiber industry. It is designed to develop character, thrift, scholarship, and citizenship. Its activities will enhance leadership and develop "hands on" skills in agriculture and agribusiness areas such as food science, sales and marketing.

NHS - National Honor Society / Cody Gregory - NHS is an honorary club that recognizes scholastic achievement, leadership, and service. Membership is awarded at the Honors Convocation.

JOURNALISM / Erin Konecky – Journalism is made up of high school journalists designed to encourage and reward individual student achievement in journalism and school publications.

QUIZ BOWL / David Hartman - Consists of groups of students selected by competition to compete in area quiz bowls.

SPANISH CLUB / Laura Hilkemann and Cass Didier - This club promotes awareness of Spanish/Latino cultures and an understanding of people around the world. Generally for students who have been or are enrolled in Spanish.

SADD - Students Against Destructive Driving / Abbie Huenink & Cass Didier - Students Against Destructive Decisions makes an effort to alert and inform students about the potential dangers of alcohol and drug use or abuse. SADD sponsors a number of service projects.

SCIENCE CLUB / Jamie Burns - This club's goal is to foster an appreciation for science and technology among students. The Science Club will create activities to educate and inform students on opportunities to succeed in the sciences at the individual, school, and community levels.

SPEECH TEAM / Spencer Jakob & Jodie Morgenson - Speech Team is a NSAA sanctioned activity which runs from November through March. Contests are primarily on Saturdays. There are ten events including original speeches, interpretive selections, and group pieces. Practices are held after school and evenings. Speech team camp is held the last week in July.

MUSICAL / Madison White & Blake Tobey - This musical production requires a two-month commitment and is usually in the second semester. Auditions are announced.

STUDENT COUNCIL / Mark Robles & David Hartman- These elected representatives promote better relations and understanding between the students and administration/faculty and between the students and the community. Participation in Student Council affords training in leadership and citizenship and allows for service to the community.

SkillsUSA – Aaron Jones / - SkillsUSA is a national student organization representing trade, industrial, technical and health occupations training. SkillsUSA emphasizes respect for the dignity of work, high standards of trade ethics, workmanship, scholarship and safety.

MATH CLUB / Cindy Boss - Math Club is devoted to increasing students' enjoyment of math, the development of strong math skills, and to help others succeed with mathematics in their own personal endeavors. Math Club looks to assist both middle school and high school students with various math related activities as well as aid the improvement of the mathematics program within School District #145 - Waverly.
