### Baseline ImPact Testing Requirements

Student-athletes who need to take the Baseline ImPact Test are the following: Any incoming 7th, 9th, 11th, or transfer students; or anyone who sustained a concussion over the 2020-2021 school year. Testing requirements apply to student-athletes planning on participating in Middle or High School athletics during the 2021-2022 school year.

**High School Athletes**- Testing dates will take place during finals week at Waverly High School. Information will be sent to students and parents once those dates have been solidified. Tentatively, they are set for May 17-20. Sign-up instructions and details will be communicated to all parents and students prior to testing dates.

**Middle School Athletes**- Testing for middle school athletes will be determined and communicated at a later date.

*NOTE - Baseline ImPact Testing is not required for participation in summer clinics and training.

# REGISTRATION FORM - Due 4/16/21
