SUMMER TROJAN CAMP 2023

We are excited to announce our dates and times for this summer Chesterton Soccer Summer Trojan Camp. We will be running the camp the week of July 24-27. The camp will be divided into three different age groups and run for one hour for second grade and under and one and a half hours for 3rd grade and above each evening. Our high school coaching staff and players will be coaching these camps. Some of the skills taught include: agility drills, individual skill development, tactical knowledge, small sided progression and full sized games depending on age groups. The goal is to expose the players to a positive atmosphere where they can gain knowledge of the game, have fun, and become acquainted with the coaching staff. Camp shirts will be provided for the players on the first day of camp. Shirt sizes guaranteed with sign-up prior to July 1, after this date based on availability. Camp will be held on the Chesterton High School campus. Please contact Coach Forgey at bkfiv@yahoo.com with any questions.

Attire: Each player should come to camp ready to play with his or her own shin guards and ball.
