Tim Fulcher
Director, Athletics

July 30, 2020

Dear Parents,

Below are a few important Fall Sports Updates. Please contact your coach, building athletic director, or me with questions. Thank you for your flexibility and patience as we continue to adapt to new processes and protocols.

Tim Fulcher

MHSAA UPDATE

MHSAA just released an update on Wednesday, July 29, 2020, which talks about beginning fall sports practices on time (with football delayed one week). You can read the update and find more sport-specific changes coming this fall due to COVID at [this link](#).

FINALFORMS REGISTRATION

If you haven't done so yet, please register your high school athlete on [FinalForms](#). For more information on FinalForms, you can refer to the letter sent in June by clicking [this link](#).

The MHSAA sports health questionnaire (if your child had a sports physical last year) or sports physical will need to be submitted prior to trying out or practicing once the official fall season begins.

Even though we are moving forward with running our fall sports season, our times show us that a fall season is not guaranteed. Therefore, please register your athlete for his/her fall sport but you do not have to pay the Pay to Participate fee yet.

Sports physicals will no longer be provided at Athens next on August 5. However, you can still get a sports physical from Beaumont Family Medical Center (44250 Dequindre Road - 3rd Floor Outpatient Service Building; 248.964.0400). Call to set up an appointment. Cost of the physical is \$25.

COVID/HEALTH INFORMATION

Dr. Jim Moeller, long-time Troy sports physician, has provided information and recommendations related to COVID and athletics. Please take a few minutes to read this information by clicking [this link](#).

If your child is not feeling well or exhibiting any of the symptoms of COVID, please have them stay home!

UPDATES

More information will be sent as we continue to plan for the fall season.
