Fall 2020 Spectator/Ticketing Procedures - Sycamore High School

In response to both local and state protocols for COVID-19, there will be some important new procedures for spectators of Sycamore High School Athletic events for the fall of 2020. The policies for this year are designed to adhere to the state mandates and orders, to keep spectators as safe as possible, and to make sure that our events run as smoothly as possible. To that end, please note the following changes and important new procedures.

The Sycamore High School Athletic Department has moved to a completely online ticketing system, through Hometown Ticketing for the 2020-21 School year. Spectators will have the ability to pre-purchase tickets for all normally ticketed events and are strongly encouraged to do so.

All tickets must be purchased through Hometown Ticketing as there will be no paper tickets sold at the gates and no cash purchases. No season passes will be sold. *At select venues and events (Soccer and Volleyball), a QR Code/Link may be available for online purchase via smartphone at the gate as long as capacity levels have not been reached.*

All in attendance should be keenly aware of the importance of following all safety protocols. All involved must follow the direction provided by the Sycamore Athletic Administration. The reason for this direction is the safety of all participants and to allow student athletes from both teams to continue to have the opportunity to play the game that they love.
