

## Hartsville High School Sportsware Sign-Up Information For Returning Athletes

Returning Athletes who have previously signed up and input information on the Sportsware software we ask that each year you log in and edit any changes that need to be made.

You can do this by logging in to Sportsware at [www.swol123.net](http://www.swol123.net) using your existing email and password. If you do not remember your password you may do a password reset. If you do not remember which email you initially used to sign up you may go through sign up process as a new athlete would and we will link you to your existing information.

Once you log in you will see that either all forms are completed or that you need to complete forms. If you need to complete forms you can click on the form to complete.

Your status will either be incomplete or complete. If incomplete please click on the incomplete and complete the information. If complete please click on the MY INFO button on the upper left of the page and review all information to make sure all information is correct.

Once you have reviewed and /or edited information click the save button.

Lastly click on the MED HISTORY button and complete this page and save.

By doing this yearly will make sure all athletes' records are accurate. This helps us improve the healthcare we give to the athlete as well and making sure we can reach parents if the need arises.

If you have any questions please contact me at (843) 616-2544 or email at [Brad.Robinson@cprmc.com](mailto:Brad.Robinson@cprmc.com)
