Promoting Health and Safety Before Athletic Contests

- Each school is responsible for conducting temperature and symptom checks for all student-athletes, coaches and team staff prior to the departure from school or prior to arriving at Leetonia.
- Each school is responsible to maintain the attendance/symptom check sheet within their Athletic Department.
- Student-athletes must wear face coverings when not participating in athletic activity. This includes the following, but not limited to:
 - traveling to the playing venue
 - prior/after contest
 - in the team bench area
 - during the National Anthem
- Coaches must wear face coverings at all times.
- All student-athletes and coaches should practice social distancing at all times when not participating in physical activity.

Spectator guidelines and safety precautions for Leetonia HOME events:

Guests are asked to do a self-health check before attending and should stay home if they are sick or have any COVID-19 symptoms.

1. Facial coverings must be worn by spectators.
2. Spectators are asked to sit with their household members only and remain socially distanced (min. six feet) from those outside their household.
3. Spectators must avoid congregating near the players and/or coaches and must leave our facility immediately at the conclusion of the contest.
4. No student sections.
5. Leetonia will not sell any pre sale tickets. We feel that our facility has enough open space to effectively social distance.

Locations for Leetonia HOME events:

Baseball: 450 Walnut Street Leetonia, OH 44431 (Field is located at the south end of the school)

Softball: 450 Walnut Street Leetonia, OH 44431 (Field is located at the south end of the school)
