

Overlake Captain's Application 2020-21

Leadership is not about being the best. Leadership is about making everyone else better.

The Overlake Athletic Department gives our student-athletes who wish to become captains the necessary tools to lead their teams in a positive direction by bringing out the best in themselves and others.

Our goal remains to teach lifelong lessons to student-athletes. Learning about how to lead others will help long after their playing days at Overlake are over.

If what you just read speaks to you and you want to become a captain of your team next season, we invite you to apply to be an Overlake captain.
