## 1A Evergreen League Event Spectator Guidelines

On February 2<sup>nd</sup>, the 1A Evergreen League Athletic Directors convened and established guidelines/requirements for all Season 1 Sports. All school districts are required to follow Washington State Department of Health Guidelines, Governor's Inslee's Roadmap to Recovery Plan and WIAA's Healthy Sport and Activity Guidelines.

Out of an abundance of caution for the safety and well-being of our students, the 1A Evergreen League established the following spectator guidelines/requirements for Season 1 contests.

HSD will not be accepting waivers for students, coaches or spectators to be exempt from wearing a mask during athletic practices or competitions.

Since all the different governing agencies are constantly making adjustments- athletic directors will review/evaluate weekly and make adjustments as needed.

HSD will not be charging admission to the fall 2021 season. However, we will accept donations that go directly back into supporting our athletic programs. 😊
