

# Ellensburg High School Athletic Registration/Clearance

Dear Parents/Guardians,

We are excited to announce that we are moving our athletic registration process to a convenient online registration program offered by FamilyID. FamilyID is a secure registration platform that provides users with an easy, user-friendly way to register for athletics, and helps us to be more administratively efficient and environmentally responsible.

When a parent/guardian registers through FamilyID, the system keeps track of their information in the FamilyID profile so that they can enter their information only once for multiple seasons and multiple family members. We feel that this online registration system will not only benefit our school athletic office, but will be a welcome change for parents/guardians as well.
