Without question Lisa Sari Chambers is the greatest soccer player in the history of Mark Morris High School. Lisa was selected to the Greater St. Helens' All League First Team all four years of high school. She was named the League MVP her sophomore, junior and senior years. In the fall of 2002, Lisa was selected Washington State 3A Valuable Player. Lisa holds the single season record goals (41) and the career record for goals (98). Lisa was also an outstanding basketball player. She still holds the single game and career record assists and the career record for steals. Lisa was a key member of three teams that competed at the state basketball tournament. Lisa was very involved in many clubs and in student government during her high school career. At graduation, Lisa received the Mark Morris High School Faculty Award.

After high school Lisa played soccer at the University of Portland. In 2005, Lisa was a member of the undefeated NCAA national championship team. Lisa holds the University of Portland school record for the most minutes played. She was a member of both the United States' U21 National Team and the United States' U23 National Team and played professionally for the LA Sol.

Lisa is presently an assistant coach for the University of Portland's men's and women's soccer teams.
