People from our community, across the state, and around the country will visit our facility at the newly renovated Paul "Hoss" Starr Stadium at White Field and see your name or personalized message surrounding the Circa 1890 football team statue that was generously donated by the Reese Family.

By purchasing a brick, you give a lasting gift to your grandchildren, family member, or special friend. Honor your school colleagues, group affiliations, favorite teachers, long time friend, high school graduate, or special memory in a unique way.

Money raised will be used to renovate/replace our Press Box at Paul "Hoss" Starr Stadium at White Field.
