A Message from Jeff Quackenbush

Our camp provides the foundation for young players to develop and improve their basketball skills. We welcome all levels of ability and provide a positive, encouraging learning atmosphere with an emphasis on working hard and having fun. We will provide the tools to become a better player and help stimulate enthusiasm for the game. We look forward to working with you this summer.

Sincerely,

Jeff Quackenbush

Jeff Quackenbush, head boy's basketball coach, will be assisted by his staff. Also, members of the NHS freshman and middle school basketball staffs, former and current Wildcat players and invited guest speakers will help teach the fundamentals of basketball.
