## 2020 Fall Athletic Season - Travel from Contests with Parents

In the past, it was an expectation for all athletes to travel home from contests on school-provided transportation. Considering the current COVID-19 environment, parents may elect to have their student ride home with them after contests. This practice will reduce the amount of time a student is traveling on a school bus and increase the space available for those returning to Bremen on a team bus.

If you would like the option of your child riding home with his parents after contests for the 2020 fall athletic season, please complete the following and submit the Bremen Athletic Office:

At the conclusion of contests, parents can pick up their students from the Bremen school bus location. Coaches will check out those athletes who are departing with their parents listed on this permission form. Parents must present themselves to the coach for a student to be released. **ATHLETES ARE REQUIRED TO REMAIN WITH THE TEAM UNTIL THE COACH HAS INSTRUCTED THEM TO DEPART.**
