

Cloverleaf Girls Golf Team Bonding

Picnic at the Park

The 2020 Cloverleaf Girls Golf Season is among us! This year we are looking forward to a new beginning. In the off-season I have invested time and have looked for ways to grow and strengthen our team. This year I have planned several team bonding and strengthening activities with the hopes to improve the environment in which we work in and encourage relationships on and off the course. My hopes are to not only strengthen the girls in teaching them how to become a better golfer but also to encourage friendships, to make their time on the team an enjoyable one. Golf is not merely a game but is meant to strengthen life skills and build lasting relationships. One of the best parts about being a member of the team is comradery. That being said, we will be having our first meeting of the season with Parents and team members after tryouts on **Tuesday, August 4th, at 5:30 pm at Cy Hewitt in Seville, Ohio.** This will be an informative meeting for parents on what our coaching staff expects out of both the parents and players this year. We will be discussing rules and goals, distributing equipment, and talking about the upcoming season. I hope you are as excited as I am for this 2019 season, and I look forward to seeing you there!

Cy Hewitt Park Address

Cy Hewitt Park
Washington Street
Seville, Ohio 44273

Parents your daughter has graciously signed up to bring a food item to the picnic, please check with them to know what to bring. Thanks for your help!

Blessings,

Coach Michel
