

# **CLOVERLEAF GIRLS SOCCER PROTOCOL**

1. Only 10 people, including coaches, will be permitted during any given training session. This means for 1 coach there can be 9 players. We will split up coaches and players based on how many can attend each session.
2. Coaches will record (not take) the temperature of athletes. Players **NEED** to take their own temperatures at home and bring those temps to practice with them.
3. No scrimmages allowed.
4. No sharing of water bottles, soccer balls, or any equipment. Players need to bring **THEIR OWN** ball, water bottle, running shoes, and soccer cleats.
5. Social distancing between all individuals who attend workouts.

If players fail to provide their temperature or bring their own equipment to practice, they will not be able to stay.
