

Coronado Girls Soccer 2019-2020 Season

Parents and friends, our CHS athletic programs are funded in part from our school athletic budget, the Islander Sports Foundation, and our Parent Boosters. To continue to provide and maintain our quality Girls Soccer program we rely on your support. This year our goal is a donation of \$150.00 per player. The first \$60.00 of each donation is used to offset CIF fees, officials, CIF entry fees, medical supplies, and minimal foundation expenses. The balance of each donation will be used to cover training and game equipment, tournament fees, year-end player awards, year-end player banquet expenses, and assistant coaches if needed.

Players will receive 2 black Dri-Fit practice shirts, black practice socks, green game socks and white game socks. These items are provided at no cost to the player and do not need to be returned. Players will also receive 2 complete game kits (home and away) which must be returned at the end of the season.

Donations are not a requirement for players to participate in our school athletic programs. Your donation is sincerely appreciated, and we want to thank you for your support.

Donations, which are tax deductible, will be collected (cash, check – payable to CHS Girls Soccer, or through Venmo) at our CHS Girls Soccer player/parent meeting on Friday, November 15, 2019.

Players will have the opportunity to order and purchase practice and spirit wear through our online store after the player/parent meeting.

Thank you for your support.
