

Greetings Warrior Parents:

Basketball workouts are upon us! We are planning a rigorous, yet exciting, schedule for Summer 2019.

The summer schedule includes two home scrimmages versus Great Falls and Parkwood, both of which have some of the top players in each state. Additionally, we will travel to neighboring schools to compete against Fort Mill, Northwestern and South Pointe, which are always thrilling and very competitive. Our journey will not stop there.... Indian Land basketball has been invited to the Summer Basketball Slam to battle Marlboro County High School Bulldogs and the Rams of Chesterfield High School. We will also be competing in the 7th annual Roy McBryde Invitational at Forest Hills High School in Marshville, NC.

A collegiate experience is beneficial to student athletes on many different levels. Our basketball team will travel to Mars Hill, UNCC/USC for team camps. The cost for each player will be \$65 (payable to Indian Land Boys Basketball). This will provide an opportunity for the coaching staff and players to compete against and learn from top level schools and allow our players to be seen by college coaches.

Thank you for your continued support of the Indian Land High School Basketball Program.
